Frequently Asked Questions

When do I need to arrive for my exam?

- You should arrive at the testing center at least 30 minutes before the test is scheduled to begin. Tests are given by appointment. On days with no appointments scheduled a center may not be opened. If you have an appointment you can expect the center to open at least 30 minutes before your appointment. Late arrival may result in exam cancellation and fee forfeiture.
- It takes about 3 - 5 minutes per candidate to complete the sign-in process. If you are the 10th person to arrive, it will take us about 30 minutes to start signing you in. If there are questions about your ID, your registration, any of the pretest qualifications, or if you are late, you will be asked to wait until other candidates are signed in. Don't worry! Each test is individually timed; your test will not start until you are signed in and seated.
- Once you have notified the center staff that you are here and ready to test, you can relax and watch the process. We do this all the time, and look forward to our time with you once your turn comes.

What do I need to bring (and not bring) to my exam?

You will need to bring two (2) forms of identification to the testing site. One must be a current, government-issued photo ID, such as a valid passport or driver's license, with a photo that looks like you. Be sure the names on your ID are displayed the same way it is displayed on your exam record, and that both ID's have a current signature that look like yours.

Acceptable forms of photo identification include:

- Driver's license
- Passport
- Military identification
- Employee identification card

How do I update my candidate profile?

Please take a moment and confirm that your personal information listed above is accurate, as this is how your name will appear on any certificate earned and the address to which all certificates and communication will be sent. To ensure proper delivery of your exam and all certification materials, Prometric must have accurate and current information. If any information needs to be updated, please visit <http://www.register.prometric.com>, choose "Update Personal Information", then login using your e-mail address and password.

Please note: This address reflects your permanent, home address. To ensure delivery of official correspondence and certification material, you may also provide name and address information in your country's official language.
